

Bible Preschool Information Sheet

PLEASE KEEP THIS HANDY – IMPORTANT INFORMATION FOR THE WHOLE YEAR

Dear Parents/Guardians and Bible Preschool students:

St. Michael's recognized that the primary responsibility for raising children in the knowledge and practice of the Roman Catholic faith belongs to the parents. That responsibility, shared with the Godparents, was taken on at the time the child was baptized.

The Bible Preschool program does not attempt to take this sacred trust from the family. Rather, this corps of volunteers, with the support of a trained professional religious educator, offers a supplement to the practice and teaching of the faith as it is learned in the home environment.

Your Pastor, and those he entrusted to plan and execute this program, are available to assist you as you attempt to teach your children the meaning and value of living the Roman Catholic faith.
